Features	Core Business Benefits
AI Chat	Facilitate secure natural language querying for prompt, reliable answers.
Data Extraction	Automate the capture of structured data from invoices and receipts for immediate use.
Summarization	Deliver instant, actionable insights from large volumes of data to accelerate decision-making.
Translation	Break down language barriers by providing real-time multilingual conversion.
Comparison	Identify critical differences across documents to ensure accuracy and speed up verification.

One Scan, Infinite Possibilities.

Any document you scan, print, or copy becomes instantly intelligent.

Chat with it to get answers.

Summarize it to make decisions.

Translate to bridge gaps.

Compare versions to ensure integrity.

Extract data to take action.

All accomplished in seconds, secured on-chain, and powered by AI.
