WARRANTY

FUJIFILM Business Innovation New Zealand Limited (**FBNZ**) warrants the Newline Interactive Display to be free from defects in material and workmanship for the corresponding period of time (see table to the right) from the original date of purchase. If an extended warranty is purchased, FBNZ will warrant the product until the expiry of the extended warranty.

All warranty claims must be accompanied with a 'Proof of Purchase' or 'Proof of Lease'.

Product	Warranty Length
Newline Interactive Display (all Series)	3 Years
All other components	1 year

If a defect is discovered in a product covered by this warranty, FBNZ will provide support for the defective unit. The troubleshooting process will be conducted by our technician to confirm the unit is defective. If the defective unit is repairable, FBNZ will carry out the repair. Should FBNZ deem, in its sole discretion, that a repair is not feasible, FBNZ will request a replacement unit from the device manufacturer.

EXCLUSIONS

This warranty covers defects in manufacturing discovered while using the product as recommended by the manufacturer. The warranty does not cover loss or theft, nor does coverage extend to damage caused by misuse, abuse, unauthorized modification, improper storage conditions, lightning, or natural disasters. The warranty does not cover parts that are subject to normal wear and tear replacement requirements.

LIMITS OF LIABILITY

Should the product(s) fail, your sole recourse shall be repair or replacement, as described in the preceding paragraphs. FBNZ will not be held liable to you or any other party for any damages that result from the failure of this product. Damages excluded include, but are not limited to, the following: lost profits, lost savings, lost data, damage to other equipment, and incidental or consequential damages arising from the use, or inability to use this product. In no event will FBNZ be liable for more than the amount of your purchase price and excluding tax, shipping, and handling charges.
